

Subject: ✨ Heal Your Life® Combined Teacher & Coach Training – Cairns October 2026

Hi everyone,

Thank you so much for your patience, it has been quite a journey to get to this point to secure the best place to hold our Combined Heal Your Life® Teacher/Coach Training that offers us the best value for money and a beautiful place to learn and be nourished at the same time.

I'm so excited to announce that it will be held at Crystalbrook Flynn Cairns 🌊 🌿 From your hotel you can step straight out to ocean views, beautiful restaurants, shops and night markets where you can treat yourself to massages in the evening.

For the first time, I will be offering the Heal Your Life® Teacher Training and Coach Training together in one location, saving you from having to travel twice and waiting for such a long time in between. In the attached document you have pricing for the combined, teacher only and the coach training. Please note that you cannot attend the coaching without having done the teacher training. There is also a hefty saving for those attending the combined or coach training.

Here are the three options available:

1. ✨ Combined Teacher + Coach Training (10 Days | 2–11 October 2026)

This is the full certification pathway where you become a certified Heal Your Life® Workshop Leader and a licensed Heal Your Life® Coach. In the attached information letter what is included and what you received and experience is clearly outlined in Options 2 & 3.

2. 🌿 Teacher Training Only (6 Days | 2–7 October 2026)

This training certifies you to run Heal Your Life® workshops, including the 2-day Love Yourself, Heal Your Life® workshop and 10-week group programs. This is perfect for those who want to run workshops and group programs.

3. 🌊 Coach Training Only (5 Days | 7–11 October 2026)

This training is for those who are already Heal Your Life® Workshop Leaders and would like to become licensed Heal Your Life® Coaches, working one-on-one with clients and building a coaching business.

All training is held at the beautiful Crystalbrook Flynn on the Cairns Esplanade, a truly stunning location and the perfect environment for personal growth, healing, and professional development.

If this has been something you have been thinking about, or you feel called to do this incredible work, this is a wonderful opportunity to complete the training here in Australia.

This **one-time investment** in yourself can easily be recouped by running your own workshops immediately after training and repaid tenfold in the years ahead. It sets you up to help transform and guide others who are stuck and in need of direction.

Now more than ever, the world needs the *Heal Your Life*® philosophy and teachers of love.

I personally invite you to this extraordinary week to heal your life, enhance your skills, and help others transform theirs. It could be the best decision you'll ever make—personally and professionally. The Louise Hay Heal Your Life® Teacher training can add more depth to any modality you may already do and this program gives you the license to use the Louise Hay promotional images and logos which is easily recognised the world over and you are welcomed into a worldwide family of support.

Please find attached an information letter with the training options, investments and what's included.

If you have any questions, or would like to discuss any matters in regards to the training content or payment plans please don't hesitate to call me on my mobile or send through an email. I am happy to set up a personal Zoom call if you would like to talk face to face.

Once again thank you for your patience, I have been working hard behind the scenes to ensure the best possible environment and outcome for this special work.

I look forward to hearing from you soon!

With love and gratitude,

Tricia Sharkey
